Eating Disorder Coalition Advocacy Day

The Eating Disorders Coalition for Research, Policy, & Action (EDC) is hosting their Advocacy Day in Washington, D.C **TODAY** (Wednesday, May 8th). Over 125 advocates across the nation are meeting with their U.S. Representatives and U.S. Senators to ask them to co-sponsor the Nutrition CARE Act and the Kids Online Safety Act.

- The **Nutrition Care Act** (H.R. 6961/S. 3010) would fix a gap in Medicare Part B coverage, which excludes individuals with eating disorders from receiving an essential component of eating disorders treatment - medical nutrition therapy.
- The **Kids Online Safety Act** (H.R. 7891/S.1409) is a comprehensive social media platform accountability bill that seeks to address specific harms posed by platform algorithms.
