**Thank you to our presenters and participants!**

On March 1st, MiEDA sponsored an event to celebrate Eating Disorders Awareness Week. We were able to bring over 130 participants in person and virtually to an interdisciplinary case study event focused on eating disorders in men! Thank you to board members Rachael Steil, Jason Wood, Emily Welles, Kelly Boprie and Dr. Lisa Lowery for sharing expertise on this topic! If you missed it, we will have more information to come on accessing the video recording!

## The Blue Bridge Lights Up

### Blue and Green for EDAW

The official colors of eating disorder awareness week (EDAW) are blue and green. For 1 week, the blue bridge in downtown Grand Rapids was lit up to inspire those in treatment, pursuing recovery and supporters of eating disorder care. Thank you to All Star Drone Imagery for the photos.
